

We Care For Your Patients When They Need It Most

Stonerise Hospice provides end-of-life care that is clinically directed

The most difficult transition is at the end of life. Our skilled clinicians and experienced, compassionate volunteers at Stonerise Hospice St. Clairsville help your patients and their families through this transition.

Our approach is guided by our faith-based purpose of serving others through love. Too often, patients and their families are left feeling overwhelmed with grief and decisions. We provide comfort, respect, dignity and assistance to your patients and their families at home so they can make the most of their time together during these delicate times.

Recognized by Strategic Healthcare Programs as a Superior Performer, with a top 20% overall score in caregiver satisfaction.
